Important Notes		<p>Altaro bills PER MAILBOX, not per user</p> <p>Altaro bills MONTHLY, not yearly -- enabling a pay-as-you-go model with no yearly commitment</p> <p>Volume discounts apply, aggregated across all an MSP's Office 365 backup customers - providing BETTER VALUE</p>	<p>Storage is NOT including in Veeam's pricing, meaning MSPs must provide and PAY EXTRA for their own backend storage and the accompanying SLAs -- more expense, liability and hassle</p>	<p>Datto customers face reliability and tech support issues.</p>
